

DEBBIE STABENOW

FOR U.S. SENATE

Debbie Stabenow knows what matters to Michiganders. She has worked to revitalize manufacturing, improve our health care system and protect the Great Lakes. She is running for re-election to continue improving the lives of working people.

DEFENDING THE RIGHTS OF WORKING PEOPLE. Stabenow strongly opposes attempts by corporations to curb the rights of workers to negotiate together and “right to work” laws that lower wages so companies can increase profits. (S. 3064, 6/13/18; S. 2810, 5/22/18)

SUPPORTING AMERICAN JOBS. Stabenow thinks American tax dollars should be used to purchase products made in America, not overseas. She supports legislation to strengthen Buy American provisions and create more job opportunities for working people. (S. 908, 4/7/17)

REPAIRING ROADS AND BRIDGES. Stabenow knows we need to fix our roads and bridges, water and sewer systems, and Great Lakes harbors and locks. She has co-authored and passed legislation to invest in rural high-speed internet and rural water infrastructure. (H.R. 2, Vote #143, 6/28/18; Candidate website, accessed 8/23/18)

GRETCHEN WHITMER FOR GOVERNOR

YOU CAN TRUST GRETCHEN WHITMER
TO FIGHT FOR THE WORKING PEOPLE
OF MICHIGAN

As a leader in the Michigan Legislature, Gretchen Whitmer helped expand health care coverage and opposed cuts to education and attacks on workers' rights. She is running for governor to improve the lives of working people.

DEFENDING THE RIGHTS OF WORKING PEOPLE.

Whitmer led the fight against Gov. Snyder's attack on the rights of workers to negotiate together. She will repeal Michigan's "right to work" law that lowered wages so companies could increase profits. (Crain's Detroit Business, 5/29/18)

RESTORING PREVAILING WAGE.

Whitmer supports restoring the prevailing wage on state-funded projects so both the project and the workers are protected. This will encourage more people to pursue careers in the high-wage skilled trades. (Candidate website, accessed 8/22/18)

INVESTING IN EDUCATION.

Whitmer will ensure our children have a fair chance at earning a degree or learning a trade. She will fund the School Aid Fund and provide teachers the resources they need to do their jobs. (Michigan Radio, 6/8/18; Candidate website, accessed 8/22/18)
